26th April 2017

Dear Parents,

We are delighted to announce that we are now in a position to offer the facility for parents to make payments online for school activities.

Our new Schoolmoney.co.uk facility will allow for both parents and school to experience a more streamlined, cost-effective and efficient payment collection system in a secure and safe environment.

From time to time you will receive a text message from the school inviting you to access a website as an option to make a payment for an activity. The text will contain a unique user name and password for you to access your account to make payments.

Parents of children in year 3 and 4 will be the first to use the system. You will shortly receive your activation text and will be able to make payments for the Everdon Field Studies trip using School Money. You will see that any payments you have made prior to 27th April are already on the system and the balance owed can now be paid off by you in any instalment you choose at any time using your debit with the final payment needing to be made before 10th July 2017. If you still wish to make payments in cash, then you may continue to bring cash into school in the usual way.

To ensure that we all experience maximum benefit from this service, we would ask all parents to notify us if you have recently changed your mobile number and/or email address.

As with any new system, there are bound to be issues at the start and we ask that you work with us to resolve any teething problems with your usual consideration.

SchoolMoney
