

Dear Parents,

Syresham After-School Club

We are very excited to share with you the latest development for Syresham St James CE Primary School and Nursery. Following a parents' meeting earlier in the term in October we are pleased to say that Ms Sonia Bowmar has agreed to run our afterschool club.

We have been working with Acorn Early Years Foundation who are hoping to run an afterschool club here at Syresham. However, they have not yet managed to recruit a second person to support Mrs Bowmar. As a school we are aware of the need for this provision so are planning to begin to run the club ourselves, with Mrs Bowmar until Acorn has recruited and are ready to take over.

The club will be open Monday to Thursday, 3:30 to 6:00pm for all children who attend the nursery and school. Breakfast club will continue to run from 8-8:45am and Mrs Allee will be joined by Mrs Dean. Although we have asked for expressions of interest in after school care previously, we now have a definite commitment from you. Please complete the attached form and return the school office by the end of term. The cost of the club will be £10 per session, per child.

This is a very exciting new venture for the school and one, we hope, that will secure our future for years to come.

We are still looking for an assistant for Mrs Bowmar, so please pass our details on to anyone you know who might be interested in this type of work. They would be able to bring their own children, even if those children did not attend our school.

With regards,

Katherine Clough
Headteacher
