

Dear Parents,

Syresham After-School Club

We need to confirm that there are sufficient numbers of families who would use the After-School Club to make it viable.

The sessions will run on Monday, Tuesday, Wednesday and Thursday from the end of school to 6pm. The cost will be £10 per child per session payable via Eduspot, which is a very reasonable fee of only £4 per hour. Children will be expected to attend regularly for the same days and times each week. We will be unable to give refunds or credits for missed sessions due to illness etc. or reduce the fee for early collections. Children attending the club who take part in our regular after school activities, will be collected from these by the afterschool club team. Included in the price are drinks and snacks. Please complete the form below and return it to the school office by the end of this term.
