INFORMATION COMMUNICATION TECHNOLOGY AT HOME – QUESIONNAIRE

During lockdown it became apparent that many children across the country had little, limited or no access to technology to enable them to complete school work at home. The DfE has asked schools to ascertain the level of access that children in schools have. We would be grateful if you could complete the questionnaire below to help us do this. Your replies to this questionnaire will be kept confidential. Thank you.

Family Name : _____

Please circle all that apply :

We have broadband at home via wifi / cable — we do not have broadband access at home

My child/children each have their own -
- computer or laptop
- Ipad or tablet
- Smart phone

My child/children share the use of a -
- computer or laptop
- Ipad or tablet
- Smart phone

Please tell us the number of items you have at home available for the family to use:

- computer or laptop _____
- Ipad or tablet _____
- Smart phone _____

Mum works from home ☐

Dad works from home ☐

Please comment below about how access to technology affected your family during lockdown and how you managed school work at home.
