

Janet Cox

Having lived in Syresham with my husband Andy and our two cats, for a number of years it is great to be able to give something back to the village by supporting the school and the wider community. I was co-opted on to the governing body in 2014. In 2019 I was humbled and proud to be voted in by my colleagues as Chair of the governing body, when I was also appointed as the local authority governor. I have worked in the commercial sector in the field of risk management for over 20 years and am passionate about my area of expertise and keen to bring a pragmatic approach and dispel the urban myths which are often linked to risk. I enjoy working as part of multi-functional team who are passionate about ensuring that children at the school achieve their full potential and being able to support and encourage the teaching team under the leadership of the head teacher. I am also the link governor for Safeguarding, Looked After Children and Health & Safety and Well-Being.
