

Congratulations to you all – you have made it to the end of term! Thank you for your support and for working with us to teach your children over the last 6 weeks. It has not been easy and I have been very aware of the pressure that you have been under to continue working at the pace that you have with your children. I have struggled morally this week, as we continue to set work, as we must, when I know how hard many have found this last week in particular. We now have a break. Time to re-group and re-charge our batteries over the next week. Who knows what news we will be given on the 22nd, but I do know we will all be more rested and ready for the next term, whatever that looks like.

Well done to all of the children who have worked so hard on TTRockstars this term. Mrs Wimpress has been looking at your progress and special mentions must go to Verity, Emelia, Lucas, Oliver and Tilly-Ann who have made great jumps in progress! I know it is hard work playing in the studio, but it really does pay to be persistent and keep trying!

This week we welcomed nursery children back for some keeping in touch and well-being sessions. All of the children practically ran up the path to the nursery building, it was so lovely to have the children back. Nursery will open fully on Monday 22nd February. We would also like to welcome Lucy and Hugo to nursery. They both have older siblings in the school and nursery and were as you can imagine, very keen to join us. We are looking forward to them meeting other friends after half term.

A big thank you to The Friends of the school who have been a constant support over the last term, helping us to organise the circus and bingo as well as keeping us going with cake! For those of you who have not yet brought a ticket for the Bingo night on Friday 19th, there are still some available at www.pta-events.co.uk/thefriendsofsyreshamschool. This is always a good event in school and I am sure it will be at home, an opportunity for children and families to catch up and have some fun – something a bit different!

We have some vacancies coming up on our Board of Governors. If you are interested or know anyone who might be willing to support the school then please let me know.

Finally, for those with children in school, if anyone tests positive or shows covid symptoms over the next 48 hours, please contact me at head@syresham-ce.northants-ecl.gov.uk so that we can carry out a track and trace. Thank you.

All it remains for me to say is; well done, have a rest, stay safe, see you soon!
Mrs Clough
