

Weekly Home Learning

Please listen to your child read 4 times a week and record this in their Seesaw journal.

Reading to your child will also help them to enjoy reading, to build their comprehension skills, and to become a confident reader themselves.

Talk about books, stories, words, and pictures. Ask your child questions that can help them to think about what they are reading. Try to ask open questions that begin with 'how' and 'why'. See if your child can go back to the text to tell you how they know the answer.

Help them read for a purpose; as well as reading for pure pleasure, your child is likely to need to read for particular purposes as they get older. They read to find information, to learn about something, or to answer questions. Practicing this can be useful for success at school and in later life.

Play at Least 3 times a week.

TTRockstars - This sequenced programme of daily times tables practice helps boost times tables recall at speed.

Practise as often as you can
Children will be set spellings on a Friday, which can be found on spelling shed, and then tested the following Friday.
