

Denise Bugler

I have lived in Syresham for 16 years and feel very privileged to have been asked to join the Governing Body of Syresham School.

I retired 2 years ago after running my own business for 30 years and would now like to be able to give something back to the community. I would like to be able to support the Head Teacher and the staff in the continuing successful education of our children and the running of this successful school.

It is important for our children – both currently and future generations – to be encouraged at school to achieve their full potential and to enjoy learning and feel happy and confident that they can achieve at their own level.

I love spending time with my 4 grandchildren whose ages range from 11 – 2 years. They always make me smile with their ideas and enthusiasm.

In my spare time I enjoy sewing, cooking, reading, walking, cycling and swimming.
