

28th January 2022

Dear Parents,

We will be holding parent/teacher meetings during the week beginning 21st February. The purpose of these meetings is to share with you how your children have been progressing with their learning. We will bring you up to date on their current level of achievement and their next steps for learning. These meetings are also an opportunity for you to share your experiences of home learning with your child with their class teacher.

Please tick the box against the most convenient day and time slot for you, class teachers will do their best to arrange a meeting within your choice, we will also try to get sibling meetings to follow on. Please return the slip by Friday 4th February. Meetings are timed at 15-minute intervals and we would ask that you respect these time constraints so meetings do not over-run and delay the parents of the following one.

With regards,
Mrs Katherine Clough
Headteacher
