

Governor Profile – Debbie Power

I am delighted to be re-joining the Syresham School Governing body as Chair, after previously being a Parent Governor a few years ago. I have lived in the village for 10 years and 2 of my 3 children attended the school. I was always actively involved in their school lives at Syresham, whether through the PTA, being a Governor or a volunteer reader. I now work in a school as a Business Manager. I have a good knowledge of how the financial side works, what the statutory obligations are as well as being aware of the day to day challenges that schools face.

I passionately believe that a good education can give all pupils the best start in life, no matter what their backgrounds. This is not just down to academics but by building strong values which are underpinned in everything that the school does. I am very happy to, together with the other Governing body members, support the school through the next few years.
