

This week Miss Pavan and I had the pleasure of meeting the new parents to the school with children who will be joining Reception in September. We have a full cohort of 15 children joining the school, many of whom are new families. We really enjoyed sharing what life is like at school and are looking forward to the children joining us for some settling in sessions over the next few weeks. We will be making a uniform order for next year so please can anyone with growing children please have all orders into Mrs Allee as soon as possible or by **29th June 2022**. Those orders received at the start of the term will go off at the same time.

On Thursday the year 5 and 6 children had a safety talk by Danni our local PCSO about how to keep themselves safe online. Amongst other things Danni talked about cyber bullying, grooming, giving out private information/scams, and thinking further ahead to employment **and** posts that you may regret online later in life. It was an excellent talk, accurately pitched to the children in the cohort and made the children think and ask lots of interesting and thoughtful questions.

Today we have said good luck to Mrs Keyte as she begins her maternity leave. With just a few weeks to go, we hope that she has some time to rest before 3 become 4! It is all very exciting and we can't wait to welcome the baby into the school family!

Lastly, Brackley Leisure Centre are holding FREE water safety workshops in the swimming pool on 25th June 2022, 12:00 to 4:00pm. Please see the attached flyer for more details.

Also attached is the diary events calendar, which was sent out last week, just in case you missed it!
