

Another Friday! How quickly the weeks are going!

We have had another busy week in school as the end of term activities ramp up! KS2 have been busy learning their parts for the production while all of the children have taken part in assessment week to support teacher judgements as we near the end of the academic year. School reports are being written while I am busily working on details for sports week and of course my end of term speech!

We are really pleased with the photos that we have seen that were taken by Nathan last week. Please remember, to take advantage of the free shipping code you need to order by 3rd July.

A big thank you to Miss Palmer who came in today to help teach the Year 5 and 6 RE. To say the children loved having her back is an understatement!

Next week may be quieter than usual, as the children who are moving to Magdalen visit for some trial days. We also have our own 'move up' day on Tuesday where all of the children will trial being their new year groups/class. We will be welcoming all 15 new children to Reception, as well as three children joining us mid-phase in what will be the new year 1 and 3.

This week a letter has been sent home about sports week. Please read it, as your child need to select an activity. All slips must be in by the end of the day on Monday please so that we can book. Children may wear sports kit during this week, for example school Pe kit, their cricket kits, rugby training clothes, football training clothes- please see below:
