

WELCOME BACK TO SCHOOL

WELCOME BACK!

We hope you have all had a fun and restful summer break. We have survived our first week and managed to stay awake till the end of each day!

This week has been very busy, learning new routines and expectations and as the children continue to settle in I am sure that they will relax quickly into KS2 life.

Myself, Mrs Gregory and Ms Hawkins are here to help each child to reach their personal goals. As we progress through the year I am certain that each child will develop their self confidence and grow as learners.

If you have any worries or general questions please contact us through the messaging service on seesaw.
