Amount Spent September 2021 to March 2022	£10137
Amount Spent April 2022 to July 2022	12920

Swimming Data

Meeting national curriculum requirements for swimming and water safety. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study.	
Due to lockdown restrictions in January/February 2021 during term 3 (the schools allocated swimming period at the local pool), the school was unable to deliver swimming lessons in the 2020/2021 academic year. Swimming data has been taken from the previous academic year when the year 6 cohort was year 5.	
Attainment on leaving primary school at the end of the summer term 2020. What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters ?	100%
What percentage of your current Year 6 cohort use a range of strokes effectively (for example front crawl, backstroke and breaststroke)? Attainment on leaving primary education at the end of 2020	95%
What percentage of your current year 6 cohort perform safe self-rescue in different water-based situations	95%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the NC requirement. Have you used it this way?	Yes – individual swimming lessons for one child in 2019
