

The disco was the perfect way to end the term! Thank you to The Friends who organised a fun packed evening for the children; who danced their socks off with their friends and enjoyed the tuck shop! Thank you to the parents who also supported the event and I am sure had just as much fun with their friends!

I am pleased to share with you that Ella in nursery has welcomed another baby girl into their family. Lara Rose was born on Sunday weighing 8lb 3oz and I can confirm is a gorgeous bundle of baby and completes a perfect trio! Please join me in congratulating Ella, her husband Jev her big sisters Holly and Charlotte!

This week we said goodbye to Mr Clarke as he leaves his position to pursue a new career change. I am pleased to say that following a successful handover Mr Richards will continue to work with us in school, primarily in the Year 3 and 4 classrooms but will also support PE across the school and run after school clubs Monday to Wednesday. I am really pleased with how well Mr Richards has settled into school life and the impact he has had working with our children. I am also pleased to share with you that Mrs Gee re-joins the school as an additional support assistant in the Year 1 and 2 classroom. Mrs Gee will be working with groups and individual children, she comes with a wealth of experience as she has previously worked in school in our year 5 and 6 classroom. Welcome back, Mrs Gee – its lovely to have you back!

Clubs next term will be;

Monday – Lego Club KS 1&2

Tuesday – Football Club KS 2 only

Wednesday – Social Club KS 1&2

Thursday – Book Club KS 1&2

We have some very tired children in school today! I hope you all have a happy and restful week together. See you on Monday 26th!

Mrs Clough
