

Term 6 has started well, with all children happily returning to school and nursery. I have attached again diary dates for the term, that already have some new additions. I also attach the term dates for next year. Mrs Phillips has organised me and has produced a set of dates for your diaries and the perfect A4 sheet to pop on the fridge!

Yesterday I shared with the children the importance of D- Day and the reasons behind why this particular part of the war was so important in their history. I hope you can join the village in celebrating 80 years and enjoying the open garden and village stalls that will be open on Saturday.

It can't have been missed that we have a new stage in the playground. This has been a hit with all of the children this week and is primed and ready for the first disco Friday of the term! A big thank you to The Friends, who since May Day have gifted the school not only with the stage but with tennis lessons, a new dishwasher in the staffroom to help ease the many breakfast club plates and cutlery as well as Mrs Clough's coffee cups and a trip out for the Year 5 and 6 children next week on residential. We are very lucky to have had so much money raised to allow these events to take place and for all of the new equipment.

To reception and Year 6 parents, letters were sent home today about health checks for your children. Please read the email carefully. The school nurse will be in school on Monday 17<sup>th</sup> June.

The Year 5 and 6 children are getting very excited about their trip next week! I am pleased to share that Mrs Allee is returning to school on a voluntary basis to support the trip. Mrs Allee has a wealth of experience on residentials and we are very pleased and lucky that she has agreed to help out.

Reduce, reuse, recycle –please consider donating any unwanted school uniform to our second-hand uniform sale. A huge hank you to those who have already donated we really do appreciate it. The sale will take place after school in a few weeks time (date to be confirmed).

I hope you all have a lovely weekend. To those of you travelling to Twickenham, I will see you there!

Mrs Clough
