

Another week has raced by! The children have all had fun moving up classes this week and it was great to see so many happy nursery faces as they spent time in school. The school was a hive of activity and with children also joining us across the year groups as well as a full reception class school really will be a busy place to be next year.

Thank you to the staff who took the children to Warwick Castle yesterday! They all had a great day looking around the castle, watching the birds of prey and seeing the trebuchet fire! This consolidated the learning for all of the age groups, supporting their history curriculum this year.

Thank you to all of the parents who attended the support session on Tuesday evening and to the staff who gave up their time to hear the messages given by Donna, so that they can continue to support our families as best they can. The evening was really informative with both signs and behaviours to look out for as well as tools to support children through different emotions. Thank you to parents for being open and sharing your experiences, it really was a supportive environment that helped many.

Next week is Sports Week, where we have the usual fun and games planned. This year the focus in 'Moving more for our mental health' with the week aimed at children having fun together while being active. I have attached a timetable for your information detailing the week, but would like to draw your attention to the following activities - Monday please can the children come to school dressed as a sports person, on Tuesday we have sports day starting at 1pm, on Wednesday we will be having fun with our friends at the trampoline park and on Thursday we would love your support as the children take part in the Syresham Mile and Nursery have their sports day. Please take a look at the timetable attached to see what else we have planned and what the children have to wear each day!

Have a lovely weekend
Mrs Clough
